Dr. Barbara E. Terroso, Assistant Principal

Dear Car Rider Parents/Guardians:

Thank you for signing up for our car rider program at LSE.

In this packet you will receive the following:

1. Directions on how/where to display your car rider tag (on the back of this letter)
2. 2 car rider tags (with rubber bands) per family (attaches to the passenger side sun visor)
3. Map identifying the car rider line-up

Each family of car riders will be assigned to a number. This number is located on your car rider tag as well as the student tag. When you **ENTER** the car rider line (at dismissal) you will display your car rider tag. When a staff member sees your number, she will call your child. Your car rider number matches your child's tag number (which will be placed on your child's backpack the first day of school).

At dismissal time (3:15-3:35 PM), please follow the traffic pattern identified on the map, be sure your car rider number is visible, and remain in your car. Also, your child will be boarding on the passenger side of your car; therefore, if your child needs a car seat please have it on the passenger side, if possible.

Please share this information with anyone else who may pick up your child.

The wellbeing of our children is important, and we believe this added measure will keep our students, staff, and parents safe. If you have any questions, please contact me at 717-244-4021 ext. 7618 or by email: Barbara.Terroso@dallastown.net.

Thank you in advance for helping to make the car rider process more efficient and safer for our children.

Sincerely,

Barbara E. Terroso

Barbara E. Terroso, Ed.D.
